

**Speaker:**

**CEDRIC DIPUTADO**

APAC Sales/Support Scientist,  
IZON Science

**Webinar:**

# Beyond NTA — Nanoparticles Characterisation with Exoid

Stop Guessing, Start Knowing: The Exoid Difference for EV Characterisation

**What You'll Uncover:**

## TRPS vs. NTA vs. DLS

A clear comparison of these core techniques—what they do well, where they fall short.

## The Exoid Advantage

Understand how Exoid can deliver high-resolution data beyond traditional methods

## Real-World Applications

See how Exoid enables precise sizing, concentration, and zeta potential for confident, reproducible research.

Thursday. 12th June 2025

11:00 AM – 12:00 PM (Singapore)  
10:00 AM – 11:00 AM (Thailand)
